Digitising Construction Health & Safety Risk Cards

ACC launched the digital version of the Constructions Health & Safety Risk Cards at the end of 2017.

We have begun phasing out the hard copies of the risk cards and will not be printing more copies.

The digital risk cards are available as a web-app, suitable for desktops, tablets and mobile phones.

The cards are co-branded product with WorkSafe NZ.

Digital Risk Cards

Tell us what you think

You can find the risk cards at **riskcards.acc.co.nz**.

Tell us what you think.

- What do you like?
- What other activities or information should be included?
- Would you recommend the cards to others?
